Buying a WILD ANIMAL as a pet is DAMAGING to the SPECIES and is ILLEGAL

The Endangered Barbary macaque (Macaca sylvanus) and Spur-thighed tortoise (Testudo graeca) are protected by Moroccan law and CITES regulations (www.cites.org)

Buying a wild animal to ‘rescue’ it from the trade does not help. The only way to help is by contacting BMAC or the authorities.

If you are found to be keeping a Barbary macaque illegally, the animal will be confiscated by the authorities and you will have to pay a fine of over 20,000MAD.
